### **About - EJ - Eliyahu Jian**

For nearly three decades, Eliyahu Jian, an LA-based mystical Kabbalist, spiritual advisor, coach and teacher has been building men and women to strengthen their relationships, improve their businesses and embrace a healthier lifestyle while connecting to a higher power and purpose.

Known for his keen sense of humor, contagious smile and extensive ability to simplify esoteric wisdom, Eliyahu employs a multitude of spiritual tools when sharing his teachings. He is a mystical Kabbalist whose lectures, mentorships, seminars and soul readings have taken him around the world as his vision and guidance create a roadmap that motivates and inspires people to change their life. Eliyahu translates deep spiritual wisdom into practical advice to empower you to live your happiest and most fulfilled existence.

Growing up in Israel, Eliyahu lived in a traditional Jewish home except for the fact that both of his parents came from generations of mystics and people with great esoteric power. His first experience with mysticism was through his grandfather Abraham, whom people would travel to from all over the world to remove different types of curses. At the age of 16 Eliyahu began his personal spiritual journey spending years studying with and assisting some of the world's leading spiritual teachers. Currently his students include successful entrepreneurs, celebrities and leading thinkers in personal development, entertainment and business.

With the gifts he received from his grandparents, parents, teachers, students and the Divine, Eliyahu helps his students through a unique way of spiritual coaching. Eliyahu commands a profound understanding of the mystical arts through astrology, dream interpretation, and connecting to those who have passed on. He has the ability to understand the codes of his students faces and palms, allowing him to see the challenges and blockages they carry. He then pulls from Kabbalistic tools that provide specialized insight and guidance for his students.

When you meet with Eliyahu, he engages the rational conversation while using his special techniques to know where the soul is coming from. He guides you to a deeper understanding of yourself, reveals past life mistakes and assists you in removing your blockages to help you cultivate a truly fulfilling future. This process reveals your deeper gifts and contributions which provides clarity for practical decisions in everyday life and intuitive choices in business.

Eliyahu's multi-faceted approach draws from over 30 years experience and practice, as well as the deep lineages of the Kabbalists throughout history.

His aim is to create profound experiences for men and women who want to embrace a life filled with their deepest desires.

Eliyahu is available for one-on-one sessions, couples workshops, seminars and business coaching.
