Mainstream Metaphysics Radio
Harnessing the Power of the Universe for Happier Living
live On-Air Readings!

Seattle, WA - October 27, 2016

Intuitive since birth, Eve has been providing insight for decades to those at crossroads. Her work has included personal matchmaking for single professionals, crisis intervention with police units, outreach for those dealing with terminal illness, and strategy consulting for nonprofit organizations.

Eve's readings are positive, optimistic, and empowering. She sees herself not as a predictor of specific events, but rather as an intuitive life coach with all the power remaining in the client's hands. She helps them unlock the answers inside themselves regarding life paths they are taking, choices they are making, and decisions they are considering. In Eve's hands, there is nothing scary about a tarot card reading as it serves only as an aid to help clients achieve optimal happiness and success.

With an education and background in business, Eve is skilled in working with business professionals, organizational leaders and brand visionaries. Eve has helped guide professionals at all levels, from lawyers to CEOs, small-business owners to non-profit advocates, as well as athletes to celebrities.

Educated in part overseas in England, Eve has a Masters of Business Administration (MBA) and is a member of the American Tarot Association, Tarot Association (UK), Tarot Association of the British Isles, and the Capital Tarot Society.

Eve is honored to be featured in the book, "Top 50 Psychics" by Jennifer Diamond
