***About Kathleen Johnson:***

Kathleen is the Founder of UniverSoul Heart, LLC, a holistic healing/wellness practice providing Reiki classes and sessions, Crystal Healing, Past Life Exploration, and Spiritual Guidance.

Its creation in 2012 represents the culmination of Kathleen's lifelong interest in spirituality, metaphysics, and the holistic human experience. Although her journey to this destination was circuitous, and often tumultuous, the life experiences were necessary for her soul's growth and served to fuel her passion for this work.

Kathleen holds a B.A. in Psychology and a M.A. in Criminology, and has extensive post-graduate studies in Mental Health Counseling and Transpersonal Psychology as well as teaching undergraduate college courses.

She is a Reiki Master Teacher in Usui/Holy Fire II & Kundalini Reiki, a Certified Past-Life Regression Therapist, and Certified Crystal Healer.

Kathleen previously served in law enforcement for two decades, which served to deepen her interest in humanity and the total human experience. This was accompanied by an increasingly urgent desire to be of service, especially during those times when she was required to function as a counselor and confidant. Witnessing the devastating effect of crime released a deep need to help and assist in any way possible. Because of this awareness, Kathleen accepted the guidance to follow her intuition and develop the necessary skills to facilitate holistic wellness in others.

Kathleen has dedicated her life to assisting others discover their unique path to wellness and wholeness, with the concept of "sensible spirituality". This global mission is her soul's purpose as she joyfully anticipates meeting you on the Journey to Yourself.
