She is the published author of the book "Peace the Flip Side to Anger- How I used my emotions to

heal my life and my body and HOW YOU CAN TOO". Her life's work has been undoing all the old conditioning, old beliefs, and healing her emotional core-wounding. As a way-shower and an ascension guide, her role is to demonstrate how it's done and share the experience along the way.

As an energy intuitive, Kornelia encourages people to release the old earth of outdated beliefs, patterns, and habits that keep them stuck. She helps people discover their own innate power to heal and love themselves. She teaches people in her private sessions and retreats to embrace their humanity, offering simple, practical tools on how to live, how to heal their lives using the power of their emotions, loving the self-whole.

Kornelia specializes in emotional health and created the "Universal Wholeness Program Heal Thyself". She helps others establish their own self-healing practice in becoming wholeness practitioners. She is a passionate speaker, regularly organizes and facilitates retreats on empowerment. Check her website for her retreat and events schedule.

Her journey has led her to walk intimately with her shadow, and in healing the emotional wounds of the past, she has embraced her divinity. Her deep understanding of the relationship between her physical body and her Soul/Source is the foundation of what she teaches others: embodiment of the divine in the physical.

Her newest creation, an online membership portal "Creative Light Vibration" is an innovative catalyst to assist all to become acutely aware and embody, through their own experiences, the power of the spoken word to speak the new world into being.

Her divine purpose is lovingly to engage others, in the most practical ways, in how to live on the new earth in harmony with their true nature.
