### About Sarah

Sarah van Rijsewijk is the owner of Natural Peace Life Coaching - a practice that offers clients awesome Life Coaching, accurate Tarot Guidance and reiki healing on an international level.

Sarah started her practice in September of 2014 after she completely turned her life around. After several months trying to recover from a place of depression and anxiety she one day realized that the best thing she could do to get out of the funk she was in was to change her outlook on life.

Through a daily meditation practice and a lot of journaling and gratitude things started to shift at an astonishing speed for her.

Now she works one on one with clients across the globe helping them to create the lives they want (and deserve!). Sarah is a Certified Competent Life Coach and received formal training from The School of Coaching Mastery. She is a Level 2 Usui Reiki practitioner and a Tarot Advisor.

Sarah is naturally intuitive and works with people from all walks of life. She has worked with her longest client, a successful 18 year old girl, since opening the doors to her practice in 2014. She began incorporating Tarot into her Coaching sessions because of the immense validation that would come up in her readings. Her clients took to the readings and began using them to check in on their lives and adjust where they were going. Sarah offers Tarot guidance in all of her Coaching sessions and one on one readings separately as well. In 2016 Sarah received her Level 1 and Level 2 Usui Reiki certification and began incorporating them into her practice as well. All throughout her last pregnancy in 2015 and 2016 she utilized the services of an incredible Reiki master and attributes those healing methods as a big part of her happiness and well being, and that of her youngest daughter to the power of reiki healing.

Sarah is a freelance writer and contributes to different website blogs and magazines when she feels she has something to contribute and help others. She updates her blog content on [naturalpeacecoaching.com](http://naturalpeacecoaching.com) on a weekly basis and is never at a loss of subjects to talk about.
