About Tina and Laura

Tina Erwin is a retired US Navy Commander and psychic. She fully understands the military mindset and has taken those skills and applied deep-rooted dedication to learning how the unseen world really works and what role karma plays in all we do. Her perpetual desire for service led her on a life long mission – exploring the physics of metaphysics

Laura Van Tyne is a psychic & former public school teacher. Has personal, family experience with the supernatural, including her child who could see and talk to ghosts. Her family home became a “house

of horrors". Through these events, she was able to see and learn how psychic ability, spirituality and karmic laws tie together.
