Welcome to the hit show, Spiritual Alignment Radio: Where Spiritual Seekers Become Spiritual Rockstars with Nova Wightman. Have you "woken up" to the truth of Who You Really Are but are often unsure of what to do about that? Do you feel like you have a lot of the "spiritual pieces of the puzzle" but don't exactly know how to put them together in a way that allows you to move forward with joy and satisfaction on your conscious journey? Do you think that spirituality can be a bit too vague and lofty sometimes, and deeply yearn to make it more practical in your daily life? Then join Spiritual Alignment Radio with host, Nova Wightman, as she helps you navigate your human experience as a spiritual being in real, functional ways so you can invite in more ease, joy, flow, and magic into your life!

Let Nova guide and inspire you into a place of experiencing Alignment more consistently, where you'll find that navigating the ups and downs of life is not only easier, but a lot more fun and enjoyable! People are waking up in greater numbers than ever before, but waking up doesn't necessarily come with an instruction manual. Spiritual Alignment Radio is that manual, connecting you to your own navigational skills and living every facet of your life from your highest, most aligned self!
