About Tracy L Clark

Are you done being afraid to jump into the life that is waiting for you? Are you ready for a real shift? Tune-in every Tuesday to the show and Tracy L will teach you how to live your extraordinary life! Tracy will

provide the tools and steps needed to help you transcend perceived limitations and move forward with an extraordinary life!

Tracy combines ministry, science and spirituality revealing the steps needed to transcend perceived limitations. Do you start playing limiting self-talk over and over in your brain? Do you find that fear holds you back more than the desire to move forward? A remarkable leader and pioneer in the field of body regeneration Tracy L Clark provides insight energetically and the tools required to move forward!

So often we never unlock our full dreams because we are running with physical, emotional, psychological, spiritual, psychic, programs throughout our body that people have placed there. These programs that defeat us and do not empower us. Did you ever think that perhaps the programming was placed there to act like a magic key? That as you unlock it and change it magically your DNA starts to transform New ideas start to unfold and new opportunities start to show up. What if you could

change your perspective and learn to take those baby steps and walk out that old programming and start walking in your new life. Each step you take in a new direction becomes a new step in the direction of your new life!! Your destiny is waiting for you and it is time you realize you have a destiny gene waiting inside you waiting to be woken up! Isn't it time you wake it up. It does not matter how old you are or what others say YOU have the ability right now today to make those changes and it's time to awaken your destiny programming up NOW!
